An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Tyrell on November 28, 2006 and in the telephone message of December 26, 2006.

In addition, applicants filed a communication on January 18, 2007 pointing out the same error. Since the communication of January 18, 2007 did not contain a formal amendment, the error is corrected by this Supplemental Notice of Allowability and Examiner's Amendment.

An error occurs in the Examiner's Amendment mailed December 13, 2006, in that the instruction "In claim 1, line 3, change '11' to --1--." is incorrect since "11" does not occur in claim 1. The error is regretted and is corrected below.

In claim 17, line 3, change "11" to --1--.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James Martinell whose telephone number is (571) 272-0719.
